1. Additional Information may be furnished by existing domestic units seeking conversion into the EOU/SEZ Scheme as per annexure.

3. Normally lumpsum amount up to US \$ 2 Million and 8% royalty (net of taxes) as amended from time to time over a period of five years from the commencement of production is allowed as per the current EOU/SEZ Scheme on account of foreign technology agreement as per the norms of Department of Industrial Policy and Promotion.
