F.No.19/03/2016/CSEZ/CUS

Dated: 27th July, 2016

INSTRUCTION NO.1/2016

The following procedures shall follow for Job work of gold ornaments which will be studded with certified diamonds/stones.

The imported Gold should be converted into multiple purity categories as per the requirement for manufacturing jewellery prior to removal for job work. Weight and purity should be checked by Authorized Officer (Zone) category wise.

The Gold units at CSEZ should declare whether diamonds/stones were procured through DTA without availing any benefits; procured through DTA by availing benefits; imported duty free along with triplicate permit.

Finished studded gold ornaments in multiple purities accompanied with SGL/IGI/GIA certification issued by Authorized Government agencies with details of diamond weight and total gold weight shall be brought to Authorized Officer (Zone) to verify weight and purity.

The unit should provide consolidated report showing net weight of gold, weight of diamond (weight converted from karat to gms) which would indicate gold & diamond weight separately for each ornament.
